[^1]
[^0]:    (1) Results have been revised to reflect the movement of certain subsidiaries to a December 31 closing date. See Note 1. Background and Basis of Presentation in the consolidated financial statements of our 2008 Annual Report for additional information.
    (2) Basic and diluted earnings per share in 2007 are calculated based on the number of our shares distributed by Altria on the Distribution Date.
    (3) PMI's management reviews operating companies income, which is defined as operating income before corporate expenses and amortization of intangibles, to evaluate segment performance and allocate resources. For a reconciliation of operating companies income to operating income, see Note 11. Segment Reporting in the consolidated financial statements of our 2008 Annual Report.
