About Philip Morris International Inc. ("PMI")

PMI is the world's leading international tobacco company, with six of the world's top 15 international brands and products sold in more than 180 markets. In addition to the manufacture and sale of cigarettes, including *Marlboro*, the number one global cigarette brand, and other tobacco products, PMI is engaged in the development and commercialization of Reduced-risk products ("RRPs"). RRPs is the term PMI uses to refer to products that present, are likely to present, or have the potential to present less risk of harm to smokers who switch to these products versus continued smoking. Through multidisciplinary capabilities in product development, state-of-the-art facilities, and industry-leading scientific substantiation, PMI aims to provide an RRP portfolio that meets a broad spectrum of adult smoker preferences and rigorous regulatory requirements.
